Message from the Basileus

Greetings Sorors:

Spring at last! Congratulations to Soror Wynola Cunningham and committee on the 9th Annual Spring Fling.

Epsilon Omega Sorors traveled to Annapolis for AKA Night with Upsilon Epsilon Omega and enjoyed a fruitful program with Sorors from Cluster I. Pink roses to the Connection Committee led by Soror Karenthia Barber.

The 76th North Atlantic Regional (NARC) was a resounding success – the largest ever held. Epsilon Omega had a representative group of over 25 Sorors. Six Sorors, including me, completed the Ethel Hedgeman Lyle Leadership Academy: Sorors Michelle Byers, Crystal Cotten-Faison, Lisa Foust, Tonja Ringgold, Sheila Tidline and Janet Williams. Congratulations to the Class of 2010!

In other NARC highlights – Epsilon Omega received the North Atlantic Region Legacy Award and our Diamond Diva Soror Corinda Waters was inducted into the Diamond Club.

Sorors, we were also recognized as a Gold Sponsor for the EAF Foundation, and many Sorors participated on the Regional Conference Committees. Lastly, our Soror and Mayor Stephanie Rawlings-Blake received the Woman of Power Award from the Regional Director.

Our new Regional Director-Elect is Soror Constance Pizzarro, and we wish her all the best as she begins her term in July.

We will be voting on Delegates to the Boule in April. Deadline for early registration is April 15, 2010. Sorors, thank you for your hard work on our committees.

I hope you had a wonderful Easter with your family and friends.

Sisterly love,

Soror Angela

Message from Anti-Basileus, Program

Dear Sorors:

I extend many thanks to those who attended the presentation of "Half the Sky Live" on March 4, 2010, at various local theaters. Again, this event was held in recognition of Women's History Month. There is so much to garner from the experiences of others, and it is important to know that there is so much we can share.

My deepest thanks to the many Sorors who donated clothing for newborns and toddlers, toiletries, personal care items as well as monetary contributions in support of the North Atlantic Regional Conference service project, "Enthusiastically Serving Pediatrics."

Epsilon Omega Sorors contributed over 300 items and \$165. Your generosity is overwhelming, and you always make Epsilon Omega proud.

Mark your calendars for Saturday, June 26. The Alpha Kappa Alpha Solidarity Walk will take place. The walk will be approximately 2.10 miles and will take place at 11:00 a.m. EST. The culmination of the Solidarity Walk will conclude with a symbolic walk at the 2010 Boule in St. Louis, Missouri.

BOUND BY PURPOSE AND SERVICE TO ALL MANKIND

Sisterly love,

Soror Francine

Cultural Arts Committee Presents Spencer's First Dollar to Elementary School Students

On Friday, March 5, 2010, Sorors from the Cultural Arts Committee visited Calvin Rodwell Elementary School and presented the school library with five autographed copies of the book *Spencer's First Dollar*, authored by James A. Merritt.

In addition, Sorors visited the school's second, first and kindergarten classes with the author, who read to the students and discussed his book.

Mrs. Spartley-Adams, school principal, Ms. Ritter, school librarian, and many teachers expressed appreciation and gratitude to Epsilon Omega Sorors for introducing Mr. Merritt to the school and arranging for the book reading presentation. The school anticipates including Mr. Merritt and *Spencer's First Dollar* in their spring book fair.

Sorors Annamarie Joyner and Verna Jackson, who represented the committee, reported that the children and teachers received the author and book enthusiastically. The children eagerly participated in the pre-and-post reading discussion—answering and asking questions.

Some teachers purchased personal copies of the book.

EΩ Encourages Boys to Read

On March 20, 2010, the Ivy Family Support Center was the site for a national book signing and tour focused on increasing literacy in the African American community.

Four young African American authors—Craig Thompson, La-Marr Shields, David Miller and Patrick M. Oliver—were on hand to discuss the importance of reading and literacy.

They offered suggestions on how we can encourage our sons to read by focusing on their interest, mirroring their reading behavior and reading to young children 30 minutes every evening.

After the discussion, attendees had the opportunity to speak on-on-one with the authors and to also purchase their books. The event was well attended by families with their male children ranging in age from newborn to teenagers.

For more information about this literacy initiative, visit www.urbanyouth.org. This event was sponsored in partnership with the Urban Leadership Institute and Epsilon Omega.
